Ordering and Shipping

2018 Ordering and Shipping Schedule

January 30	Last order date to qualify for March shipment.
February 26	March shipping begins. See Delivery Options, p.31.
March 9	Last date to qualify for volume discounts. See p.31.
March 26	Shipping begins for seed potatoes and spring allium orders not scheduled for March shipment.
April 2	Shipping begins for onion transplants. Order info is on p.21; choose your shipping date on the order form.
May 14	Shipping begins for sweet potato slips. Order info and shipping dates are on p.5.
August 24	Last date to order flowers.
September 17	Shipping begins for garlic, fall alliums, and flowers.

Placing Orders. For best selection and availability, order early. Check our website for availability, especially for products that have limited quantities. Please note special order and shipment dates for spring and fall. We process and ship orders in the order in which they are received. We are unable to offer "rush" shipments. You may order cover crops, soil inoculants, and fertilizers at any time; we ship these products throughout the year, generally within one week of receipt when ordered separately from seed potatoes and fall alliums.

Substitutions. Because of weather and other factors that affect live plants, availability of specific varieties is not guaranteed. When necessary, we will substitute as follows: For organic varieties, we'll substitute the same variety, sustainably or conventionally grown, or another organic variety similar in season and color. For conventional or sustainable varieties, we'll substitute a variety similar in season and color. Indicate on the order form if you do not want substitutions.

Shipping. We reserve the right to delay shipping when the weather is too cold to ship your products safely. We use either USPS Priority Mail or UPS depending on the weight of the order. Be sure we have a good address for mail and/or UPS shipments.

Pick-Up Option. To pick up orders at our Newport, Maine facility, check the pick-up option on the order form. When your order is ready, we'll notify you with travel directions and pick-up-times. 5.5% Maine sales tax applies to pick-up orders.

Payment. All orders must be prepaid. Payment may be made by check, money order, or Visa/MasterCard. There is a $25.00 charge for returned checks. Prices are subject to change without notice.

Handling and Growing Instructions are included with each order and are also available on our website, www.mainepotatolady.com. *Please follow these instructions carefully for best results. See "Our Guarantee" on page 4.*

Availability of Live Plant Material. The availability of live plant material (tubers, bulbs, sets, transplants, slips, and seeds) is subject to crop and storage conditions beyond our control. While we make every effort to fulfill your order, the availability of any particular item cannot be guaranteed until we are ready to ship your order. We will notify you accordingly and in as timely a manner as possible if your order is affected. Please refer to the substitution policy above.

Truck Shipments for orders over 250 lb. are available to addresses that can receive a tractor-trailer delivery. Customer must provide a daytime phone number and be present during delivery. Contact us for details.

Three Ways to Order:

Online: At our secure site **www.mainepotatolady.com**

Mail: Use the order form on page 31, or print one from our website. ***Mail to:*** The Maine Potato Lady, P.O. Box 65, Guilford, ME 04443
